The Lamphere Public Schools is organized and conducted under the laws of the State of Michigan as a fourth class school district. The district is governed by a seven-man Board of Education. Board members are elected for four-year terms, two members being elected each June.

The Board elects its president, vice-president, treasurer, and secretary for a period of one year. This year's president is Roy Ethier; vice-president, George R. Nyquist; treasurer, Mary L. Seifert; secretary, Frederick W. Hiller.

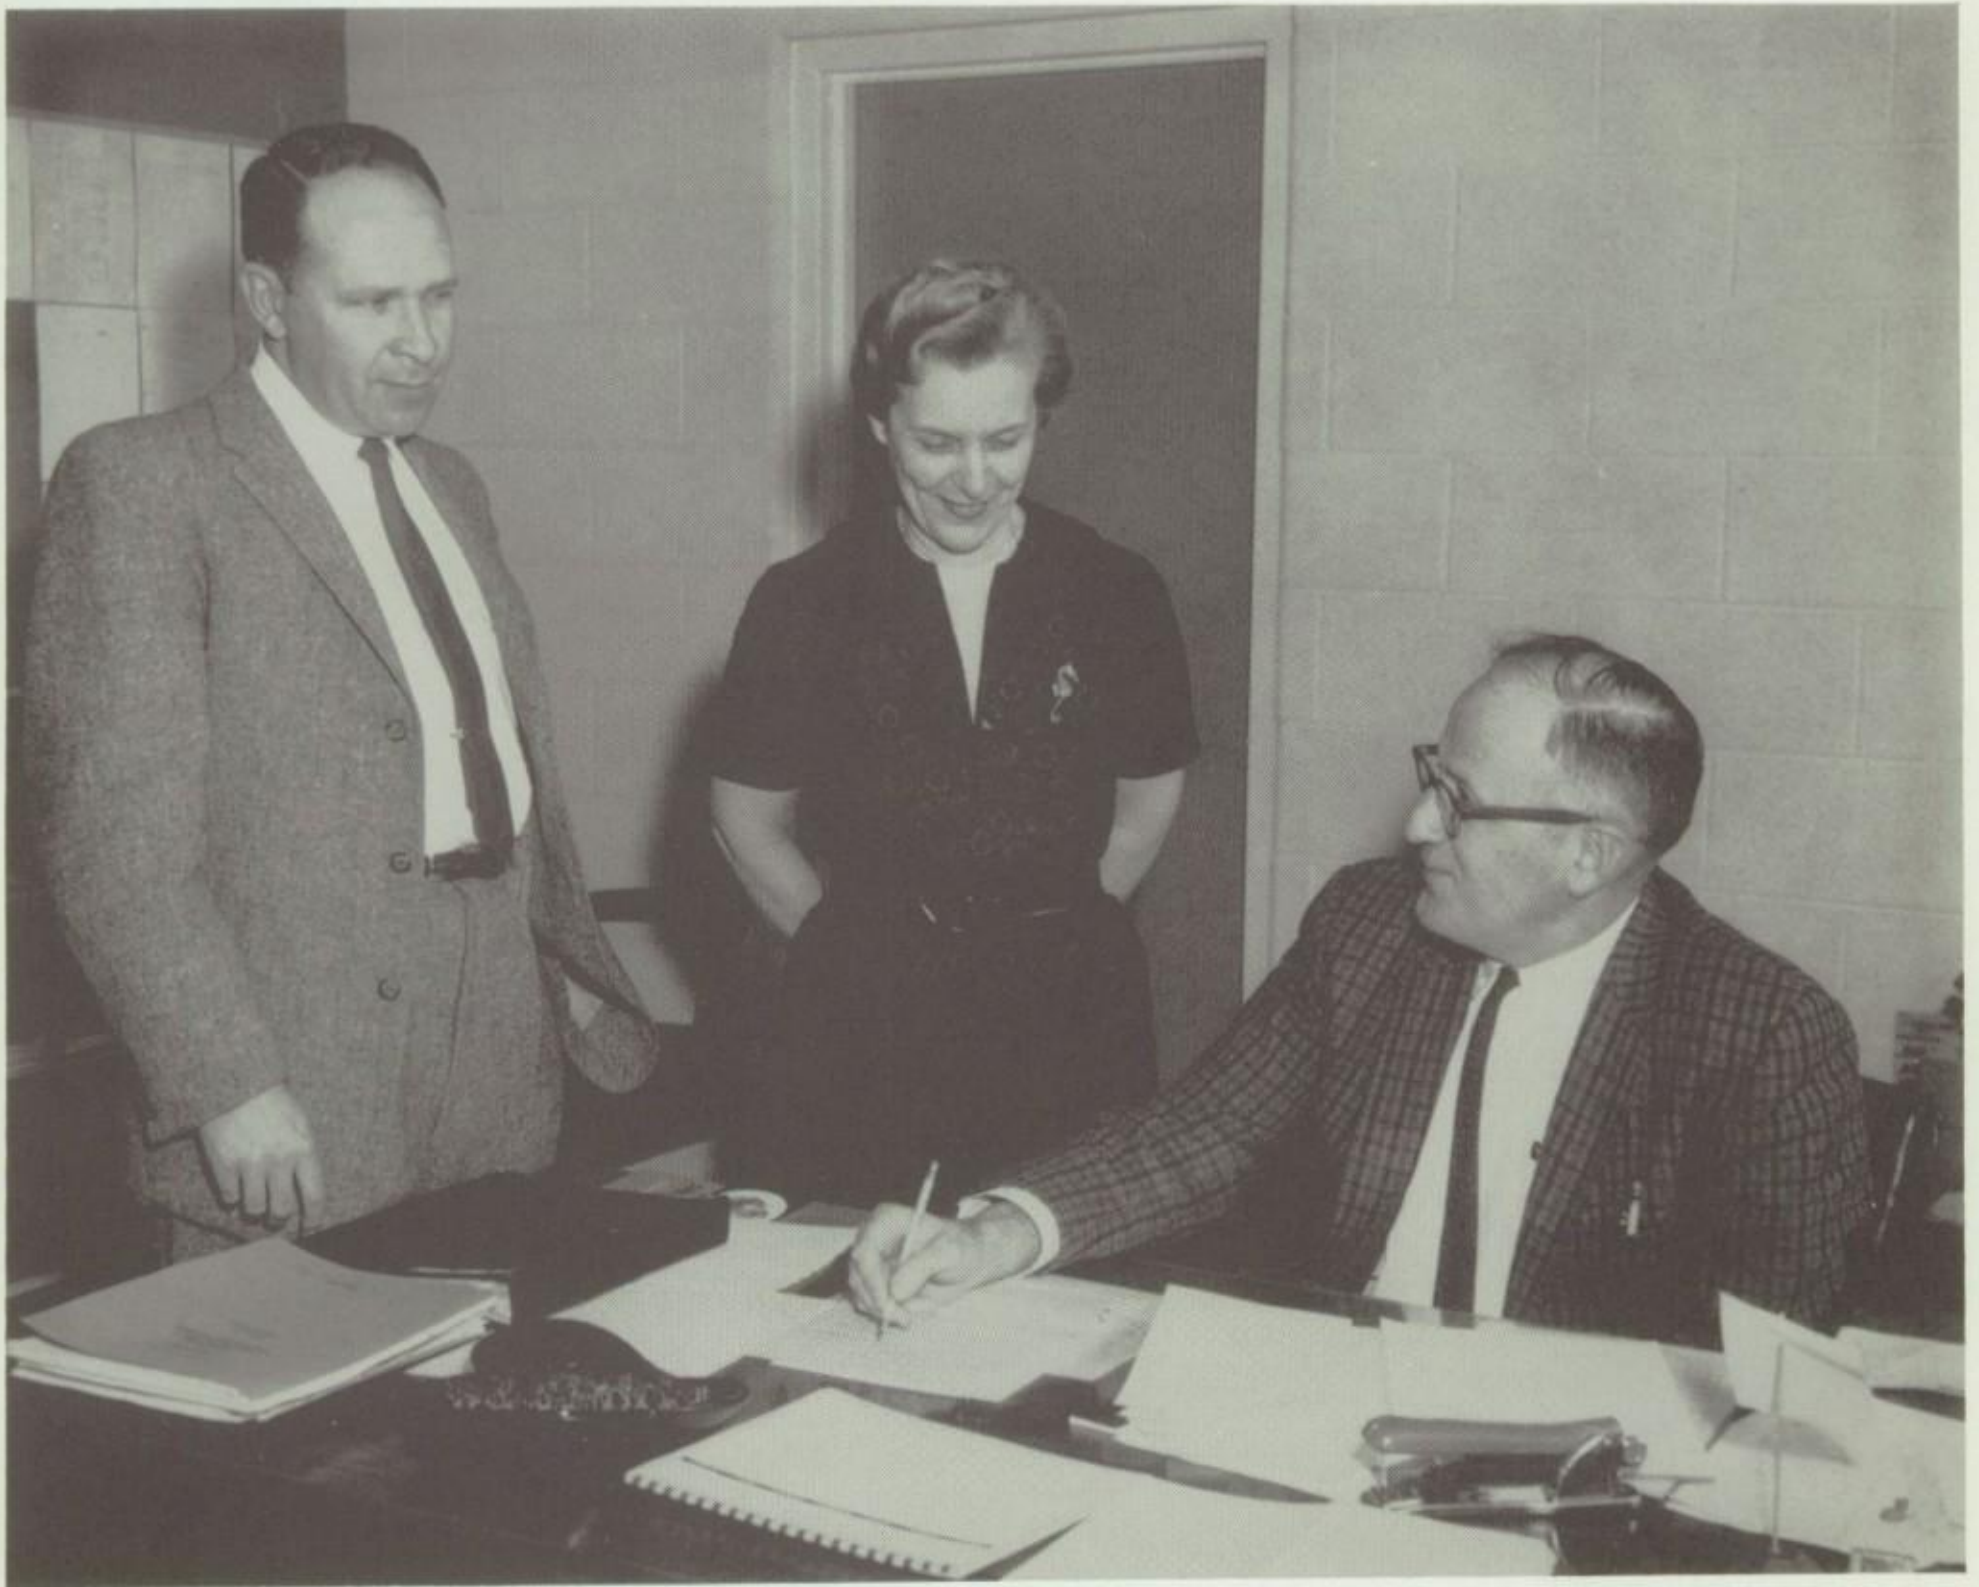

The Board derives its power and duties from the constitution of the State of Michigan, the legislative statutes pertaining to education, court interpretation of these laws and the powers and duties implied under them. It acts as the general agent of the state in carrying out the will of the people of its district in the matter of public education.

The Lamphere Board of Education employs a superintendent to whom it delegates the authority to place its plans and policies into operation and to oversee the daily operation of the schools. This year's Superintendent is Dr. Fred Thorin.

The Board is responsible for carrying out mandatory laws and shall consider, and accept or reject the provisions of the permissive laws.

We wish to express our deepest sympathy for John Page, a dedicated citizen and a member of our Board of Education from 1958 until his untimely death in 1961. His devoted efforts on behalf of the students and faculty of Lamphere will long be appreciated.

High School Administration

GERALD EMERICK

LAVON WELLMAN

EDWARD P. HARKINS

Our high school administration is ably handled by Mr. Edward Harkings, Mr. Gerald Emerick, and Mrs. Lavon Wellman. All Phases of High School management and matters concerning the high school life of our student body rest securely upon their shoulders.

Formerly the principal of Oak Park High School, Mr. Harkins has handled many complex problems which arise daily at Lamphere. With his various duties, Mr. Harkins still finds time to discuss the problems and futures of the student body. Mr. Emerick, confronted with many difficulties, has assisted Mr. Harkins with great concern and ability.

Mrs. Wellman, aided by student assistants, file, record, and sort all information passing into and out of the office. Without an excellent system, our school couldn't run half as smoothly as it does.

Not enough appreciation can be given to the front office.

This year's senior class was a little low on school spirit at the beginning of the year, but spirit picked up gradually as graduation neared.

The senior boys displayed their spirit by participating in athletics, while the girls joined clubs to further their interests.

Homecoming, which was a major senior project, turned out to be a great success. This was the first year the seniors created a float of their own for the queen. Next came the senior play, which absorbed the energy of all those involved.

The senior class expresses its desire to get out into the world, but it also regrets to leave Lamphere.

Senior Play

“Our Hearts Were Young and Gay”

British ladies differ in thinking with the Americans.

(Top Row): D. Joiner, K. Peterson, W. Szymanski, D. Wagg, V. Kazakavich, C. Schalk, K. Reed, R. Routsong, V. Lile, K. Purta, B. Washburn, C. Lantinga, D. Kolodzeij. (Bottom Row): R. Beeman, L. Costeiu, N. Baldrige, S. Valentine, D. Macklem, J. Hale, R. Novak.

Cornelia dodges a health inspection with the assistance of friends.

"Our Hearts Were Young and Gay," a comedy given on November 16, 17, and 18, was our senior play this year. The action started aboard a ship in the summer of 1923. Cornelia Otis Skinner and Emily Kimbrough, played by Karen Reed and Carol Schalk, saved up their money for a trip to Europe and were off on their own to prove how "mature" they had become.

Their exciting adventures included nearly drowning a stowaway on board ship, mistaking the leader of the ship's band for an admiral, taking all sorts of fancy seasick remedies, and then meeting and falling in "love" with two handsome medical students, Dick Winters and Leo McEvoy, played by Vic Kazakevich and Russ Routsong.

Madame Elise (Lucy Costeiu) and her daughter, Therese (Nancy Baldrige), ran the hotel in which Cornelia and Emily stayed in Paris. While there, they got involved with a gas meter that exploded, slept in a bed that Cardinal Richelieu once used, and tried to convince a supposedly great French actor, Monsieur De La Croix, (Bill Washburn) that he should give them acting lessons.

Others in the play were: the steward, Ron Novak; Mrs. Skinner, Darlene Wagg; Otis Skinner, Bill Szymanski; the purser, Ron Beeman; the stewardess, Sandra Valentine; Harriet St. John, Vivian Lile; Winifred Blough, Kathy Purta; the inspector, Diana Macklem; the admiral, Don Joiner; and the window cleaner, Jerry Hale.

Those who participated in the intermission dance marathon were: Phil Freer, Cheryl Lantinga; Dennis Kolodziej, Kris Peterson, and Vic Kazakevich.

The sponsors, Mr. Sayers and Miss Spehar, thought that everyone concerned with the play worked very hard; and, as a result, it was a big success for our senior class.

"If the ships sinks, you'll be sorry!"

Junior Play

The junior class presented a fine adaptation of the "Man Who Came to Dinner" on April 6th and 7th.

Sheridan Whiteside, having dined at the home of the Stanleys, slipped on their doorstep breaking his hip. A tumultuous six weeks of confinement followed.

The Stanley living room is monopolized by the invalid, ex-convicts are invited to meals, and trans-Atlantic calls bring a \$784 phone bill. The arrival of strange gifts from his friends further destroy domestic tranquility. It would take a stoical housewife to harbor penguins in her library, an octopus in her cellar, and 10,000 cockroaches in her kitchen.

When Maggie, his secretary, falls in love with the reporter, Bert Jefferson, Whiteside summons a glamorous actress, Lorraine, to win the affections of the young man. Knowing the girl's charms Maggie enlists the aid of a clever impersonator, who affecting the voice of Lord Bottomley, asks Lorraine by phone to return to him and be married.

After more such incidences, Whiteside finally departs from the Stanley home triumphantly; but a second later a crash is heard — he has again slipped and fallen.

The juniors put a lot of work into their play, but it proved to be worth it. The junior class play surely was a success, and it was a credit to the junior class.

Lorrain Sheldon arrives to add her sympathy.

"Oh dear, I've dropped my calve's foot jelly."

FRANTIC

CAPERS

A student band played a selection of songs to everyone's enjoyment.

Sharon Kolodziej and her partner displayed their dancing talents.

Our annual Frantic Capers, presented by the P.T.S.A. on December 15 and 16, once again pleased the audience with their entertaining variety show. The goal of the Capers is to raise money for scholarship funds for our graduates.

The P.T.S.A. invites all parents, students, and faculty to perform; and the talent displayed usually proves to be surprisingly good. All of the acts were enjoyed by everyone who attended the fund-raising project.

Acting as masters of ceremonies were Chuck Burkart and Bill Simms, who also did excellent jobs in their comedy skits. Heading the program was Mitch Miller and his sing-along Caper's Chorus singing "Getting To Know You."

Next on the program came a student band, the Half-Notes, who played a medley of songs and drew quite a few compliments. The many dance numbers were handled quite professionally by our students and are to be applauded for their work.

Then, of course, we mustn't forget the faculty who always provide much laughter. The "Faculty Five," a teacher-formed band, supplied us with proof that our faculty is also talented.

Once again our Capers was a success, and everyone is looking forward to the variety show of 1962.

Chuck Burkart and Bill Simms entertained the audience

Our court of 1962: Chris Rembiesa, Joe Manenti, Penny Helton, Mike Kaltz, Joanne Brant, and Phil Bartolone (not shown).

The Snowflake Ball, held on December 22, once again lifted everyone's Christmas spirit. Sponsored by the Student Council, the dance's admission fee is canned goods, which is given to the underprivileged of Madison Heights for Christmas.

The dance was held in Lanphere's new cafetorium, with Christmas trees and colored crepe paper adding to the cheerfulness of the holiday season.

Bob Wallace and the Counts were there to entertain, and almost immediately the dance contests swung into action. Winning the fast dance contest were Sandy Reed and Denis Kolodziej, while alumni Sharon Beeman and Steve Baldrige won the slow dance contest.

Then, of course, came the time to crown the Snowflake Ball King and Queen of 1961. Everyone gathered around anxiously while Mike Kaltz and Penny Helton received their crowns from Joe Murray and Sharon Beeman, last year's King and Queen. Then, forming the court, were Joe Manenti and Chris Rembiesa as Prince and Princess and Phil Bartolone and Joanne Brant as Duke and Duchess. Everyone agreed they all made handsome couples.

The dancing then continued; and Kris Peterson sang a medley of songs to everyone's enjoyment. Then like all good things, the Snowflake Ball came to an end; but everyone who attended will remember it as a highlight of 1961.

Homecoming Queen

Cheryl Lantinga

The football team selected Cheryl Lantinga as the 1961 Homecoming Queen. Last year's queen, Linda Wilson, was unable to present the new queen with the crown; therefore, Sharon Beeman, a member of last year's court, did the honors.

A white chiffon dress with light and dark green flowers embroidered around the skirt was worn by our lovely queen. Cheryl's friendly smile and bubbling personality has won the hearts of many during the four years that she has attended Lamphere.

Cheryl has helped cheer our team onto victory, having been an enthusiastic cheerleader for four years. She has been on the Student Council for two years and had a part in the senior play. She also has showed her leadership ability by being elected vice-president of the senior class. Cheryl has been a great asset to her class, and they are proud to have her as a member.

Another member of the Homecoming court was pretty Ruth Ann Kameron. Her radiant blond hair and sparkling blue eyes made a dazzling effect with her coral chiffon dress.

Ruth has been very active during high school. She was a junior varsity cheerleader for one year and has been a varsity cheerleader for the last three years. In the eleventh grade she was chosen to be Princess of the Snowflake Ball. Ruth served two years on the Student Council. Being on committees for both the junior and senior plays and Homecoming show that she can work well with other people, which is one of her finest qualities.

Carol Schalk

Wearing a light-blue ruffled formal and a big smile, was one of our charming members of the court, Carol Schalk.

Her sweet personality is one of Carol's finest traits. She is a dependable person and is known as one who likes to get things done. She showed her fine acting ability in having one of the lead roles in the senior play. Carol has done a great job as co-editor of Lamphere's yearbook. She was bestowed with the honor of being elected secretary of the senior class; and we sincerely hope that when she reaches her goal of becoming a professional secretary, she will do as fine a job.

Carole McComb

Carole McComb chose pearl accessories to wear with her formal of blue and white, our school colors.

Carole's school spirit has been shown by the many activities in which she has participated. She was a junior varsity cheerleader for her first two years in high school and was one of the co-captains. She worked her way up to become a cheerleader on the varsity squad. She has been the class secretary since the ninth grade and was on the Student Council in the tenth grade. Last year she was on the court for the Snowflake Ball. The eleventh grade is proud to have had Carole represent them on the Homecoming Court.

HOMECOMING

Festivities

Sharon Beeman, of last year's court, crowns our new queen, Cheryl.

The seniors and juniors started work on the beautiful floats for the Homecoming about three weeks before the big game. Flowers, made from colorful tissue, covered both floats.

Before the game, the four candidates rode onto the field on the float made by the junior class. At halftime, the floats glided around the field pulled by gaily decorated convertibles. The queen's float was designed by the seniors of 1962, which included a throne in the shape of a large, blue "L." This float was followed by the varsity cheerleaders in a bright red convertible.

The afternoon ceremonies then concluded with a parade throughout the neighborhood, with the queen and her court riding atop the convertibles.

Our football players join the bonfire pep rally the night before the Homecoming.

Another first at Lamphere---the bonfire. The student body expressed their finest enthusiasm at this great event. The cheerleaders rallied the students at the bonfire after a wonderful parade led by Lamphere High School's band. The excited student body sang out in delightful voices the school song, yelled with their most exuberant spirit, and gaily marched behind the decorated truck of cheerleaders.

After the grand parade from the front of the school to the field, everyone gathered around the great fire with anxiety of the game to come. The next day was the Homecoming, an event for which everyone was waiting. At halftime, the awaited event proceeded.

Each member of the 1961 Homecoming court was escorted onto the field by Lamphere's senior football players. The first representative, Ruth Ann Kamerer was led onto the field by Tom Pollack and Ed Neimasz. Next came Lou Simmet and Don Hildreth escorting another blond, Carol Schalk. Carole McComb, the third member of the court, was led onto the field by Ed Marentette and Ron Beeman. And our lovely queen, Cheryl Lantinga, made her debut with Russ Routsong and Phil McBride at her side.

Vic Kazakevich, the senior class president, presented our queen with a beautiful bouquet of long-stem, red roses after the crowning; and the court was then escorted off the field.

The Queen adorns the senior float.

The halftime ceremonies introduce the members of the court and their escorts.

Mr. Harkins, our principal, acts as the Queen's official escort.

Faculty members and the crowd congratulate Queen Cheryl.

More Homecoming Festivities

After the official ceremonies, the motor parade toured the football field and community.

Homecoming Queen and Court

Our Homecoming Dance of 1961 was a perfect climax to a day of a victorious game and the crowning of a lovely queen.

Cheryl Lantinga and her pert court were there to greet the alumni, the faculty, and the student body, as they entered our former student lounge decorated in silver and blue.

The music and added singing of Kristin Peterson was enjoyed by everyone, and our 1961 Homecoming ended on a happy note.

The Lamphere Rams got off to a bad start by dropping the season opener to Clawson.

It was a close game for the first two quarters, but at half time; Clawson led by seven points. In the waning seconds of the first half, Lamphere penetrated deep only to have the ball intercepted at the three yard line.

In the second half the Clawson Trojans simply had too much depth for Lamphere's sophomore-filled squad. Clawson scored twelve points in the third quarter and added seven in the final stanza.

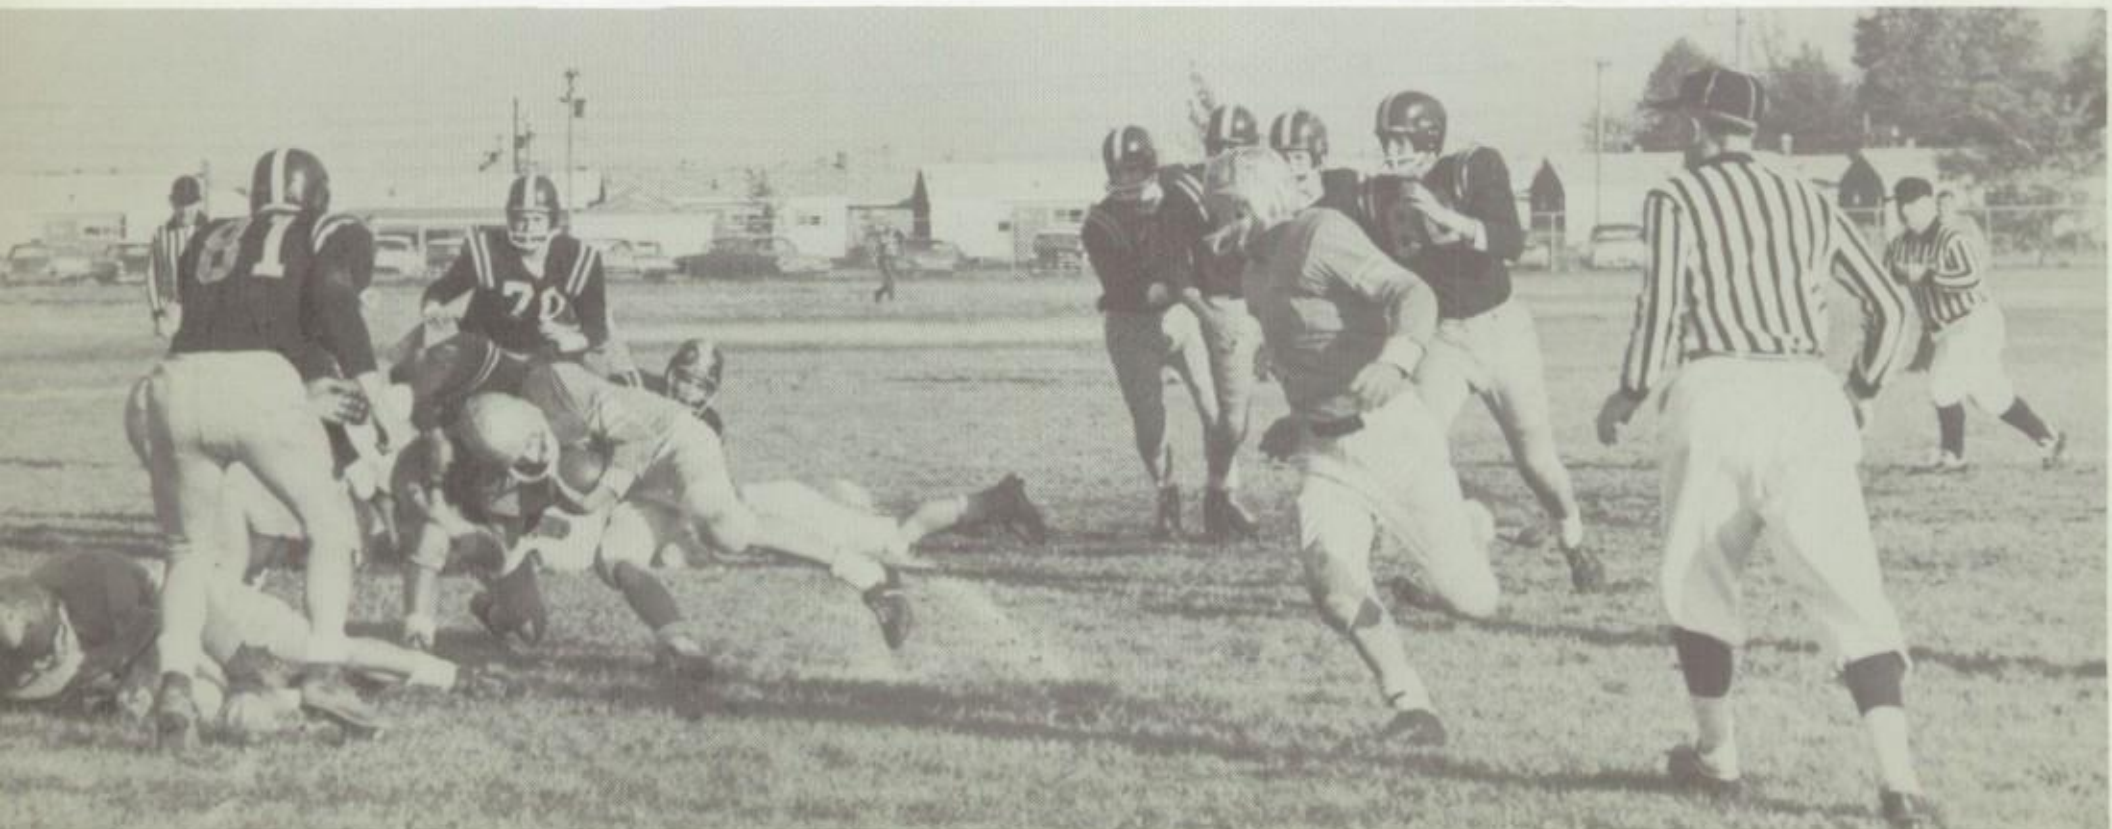

This non-league battle gave the many untried players on the Ram's squad a chance to view their weaknesses and showed a promise of better things to come.

More Football

Looks good, Marentette, too bad we had a man offside.

The Ram's football squad has never lost a Homecoming game in the short time the school has been established. This year was no exception. After a stirring bonfire and pep-rally the night before, the squad was ready for the always tough Huron Chiefs.

Lamphere broke into the scoring column early in the second period capping a long, sustained drive. The Chief's farthest penetration was stopped on the Lamphere four yard-line as time ran out in the first half. Lamphere scored their second touchdown early in the fourth quarter. Ron Beeman scampered six yards to score his second six-pointer of the afternoon.

Playing Lutheran West, their third game of the season, the Rams drew first blood. Halfback Mike Kaltz sped six yards for a touchdown. From that point, Lamphere did its best, but it wasn't good enough. Lutheran West tied the game, shortly before the half. The second half was all West. They scored in the third quarter and again in the fourth.

In order to retain the C.S.S. championship, a victory over the Lutheran East Eagles was a must. The game was very close at the half with the score East 7 and Lamphere 0. After the intermission, things seemed to go wrong for the Rams. East scored two touchdowns in the third quarter, and a final six points in the last quarter.

With title hopes looking slim, the Rams still had a chance for Runner-up honors by beating Harper Woods. The first-half was a scoreless tie.

The second half was beginning to look like repetition of the first when the Rams fumbled and Harper Woods recovered on the Lamphere twenty yard line. They scored two plays later and ended Lamphere's hopes for runner-up in the League.

Lamphere has never lost a football game to Clintondale in four years of competition. The Lamphere team of 1961 upheld this tradition. The score of our final league game of the season, Lamphere 33 and Clintondale 12.

BASKETBALL

Lamphere opened its Central Suburban basketball season against Clintondale. The Rams, although their ranks were riddled by the "flu," pulled the game out in the last few seconds. The final score of the evening was Lamphere 38 and Clintondale 37, with Phil Freer our high point man with sixteen and Alex Zaborowski helping out with twelve more.

Next team on the schedule was Lutheran East. This was one game that everyone know was going to be tough to win. It looked like the Rams were going to lose, but a last-second shot by Alex Zaborowski tied the game. The Lutheran game then went into overtime. Hope was renewed, but the final score was in Lutheran East's favor, 73 to Lamphere's 70.

The big game of the season was played on the Harper Woods' home court. The bus that was chartered took 60 Lampherites to the big game. It seemed like half of Lamphere was in the bleachers, but it didn't spark the Rams, as we bowed with a final score of Harper Woods 65 - Lamphere 29.

The Huron Chiefs came to the Lamphere home court only to be defeated. The bench saw plenty of action, as Coach Kish gave his first team a rest. The gloom of losing to Harper Woods didn't hamper any of the spirit at the Huron game. Lamphere easily moved ahead to take another victory with a final score of Lamphere 58 - Huron 39. Ron Beeman was high man with sixteen points for the night.

In the second game with the Clintondale Dragons, the Rams went with a team that was injury-laden. The Dragons beat Lamphere by the score of 64-54. Russ Routsong scored nineteen points, and Al Zaborowski added seventeen in a losing effort.

The Eagles from Lutheran East came to Lamphere and pulled a victory from under the very noses of the Lamphere squad. The East team had just too much "go power" for the Rams to cope with that night. The final score of the game was 41 - East 59.

Harper Woods came to Lamphere with hopes of an easy victory, but at halftime they led by only three points. By the third quarter, however, the Pioneers pulled away and won by the score of 65 to 47.

Lamphere finished their season by winning over the Huron Chiefs. Huron was thoroughly trounced on their own court. Every player on the Rams' team got into the game at one time or another. Al Zaborowski was high man with eighteen while Freer added sixteen.

Lamphere occupied third place in the Central Suburban league at the season's end.

Phil Freer leaps for ball against Clintondale.

The Junior Varsity basketball team wasn't quite as successful this year as last. Competition was keen within the Central Suburban League and equally keen in the non-league games. A few of the games were real "squeakers" and Lamphere was edged by just one or two points. Even though they did not win every game they learned a lot of basketball and gained valuable experience. Coach Holland had some fine material but his substitute bench wasn't as strong as it needed to be for those long last quarters. In the years to come Lamphere should hear plenty from these talented starting five:

Team Captain, Tom Abel. Tom is, as his name implies a very able and talented ball player. Jim Brodberg, a 6'0" center is getting better with each game. Ron Leskevicz, a rugged competitor and a tough fellow. Larry Smolka, a stand out under the basket. He was one of the best rebounders on the Reserve team. Mike Noren, the "big gun" of the squad. His shot was one of the best. Richard Berner, a hot little guard who should do a good job for the Varsity. Dennis Zbibkowski, a steady dependable ball player. He will become a remembered athlete at Lamphere.

Others on the Reserve Squad are Larry Odgers, Earl Brock, Bob Richardson, Steve Zdon, and Ken Gorczyca.

Varsity

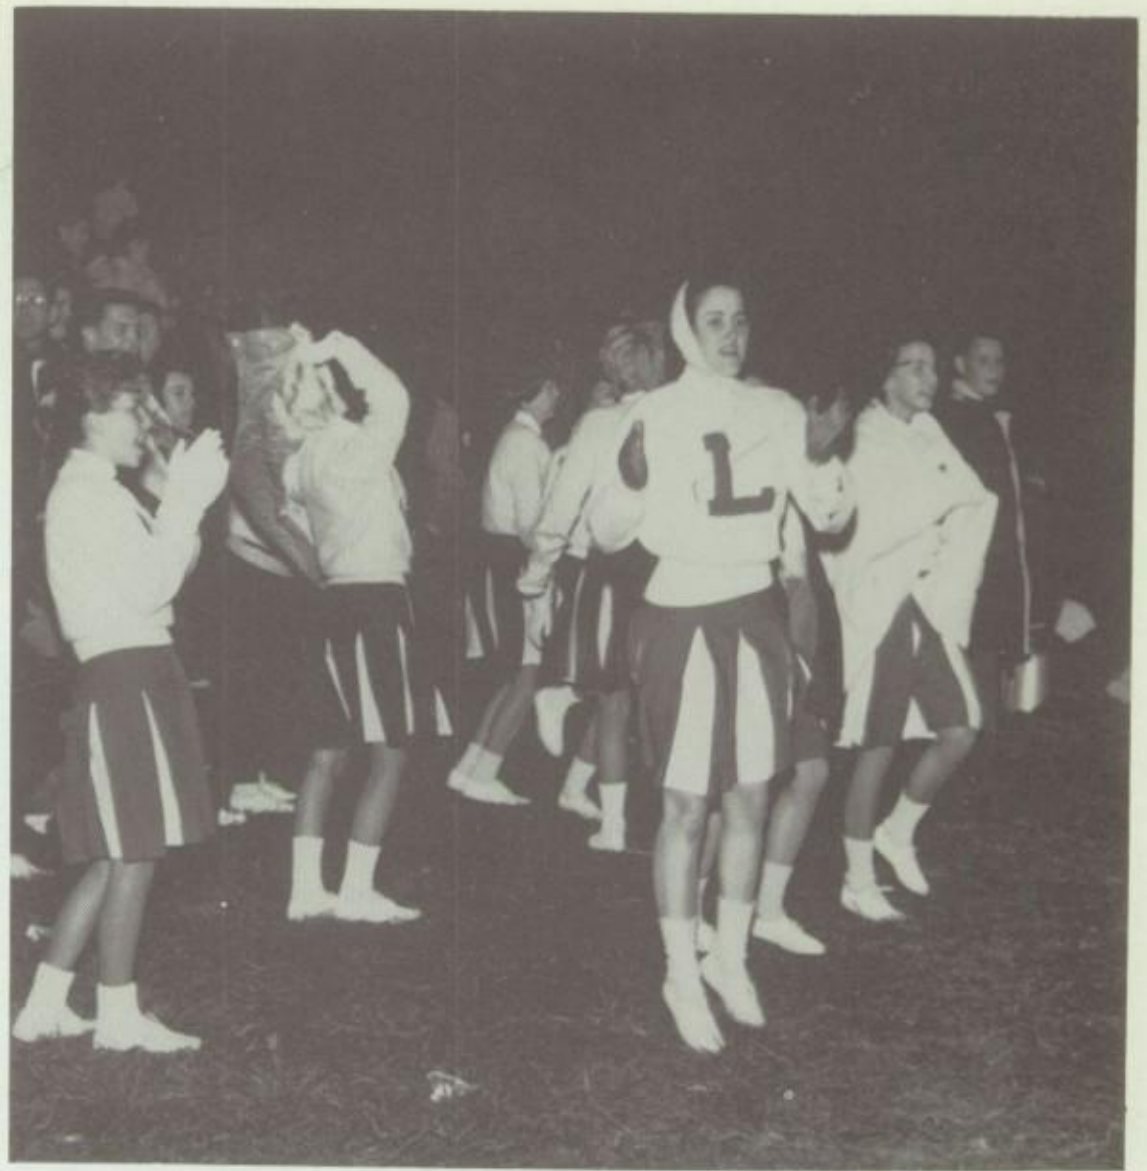

This year the varsity and junior varsity cheerleaders, with the devotion of their sponsor, Mrs. Buck, and manager, Carrie Lonero, have worked to promote good sportsmanship and fair play among the student body and the Rams themselves. Beatrice Bunn and Sharon Manko were chosen by their fellow cheerleaders as the co-captains of the varsity squad.

To promote more school spirit and to cheer our team to many victories were the goals reached by the Lamphere varsity cheerleaders.

Practicing diligently at least twice a week, they tried for perfection in their squad. At each practice, new cheers and motions were created along with the continuous practicing of the more familiar cheers.

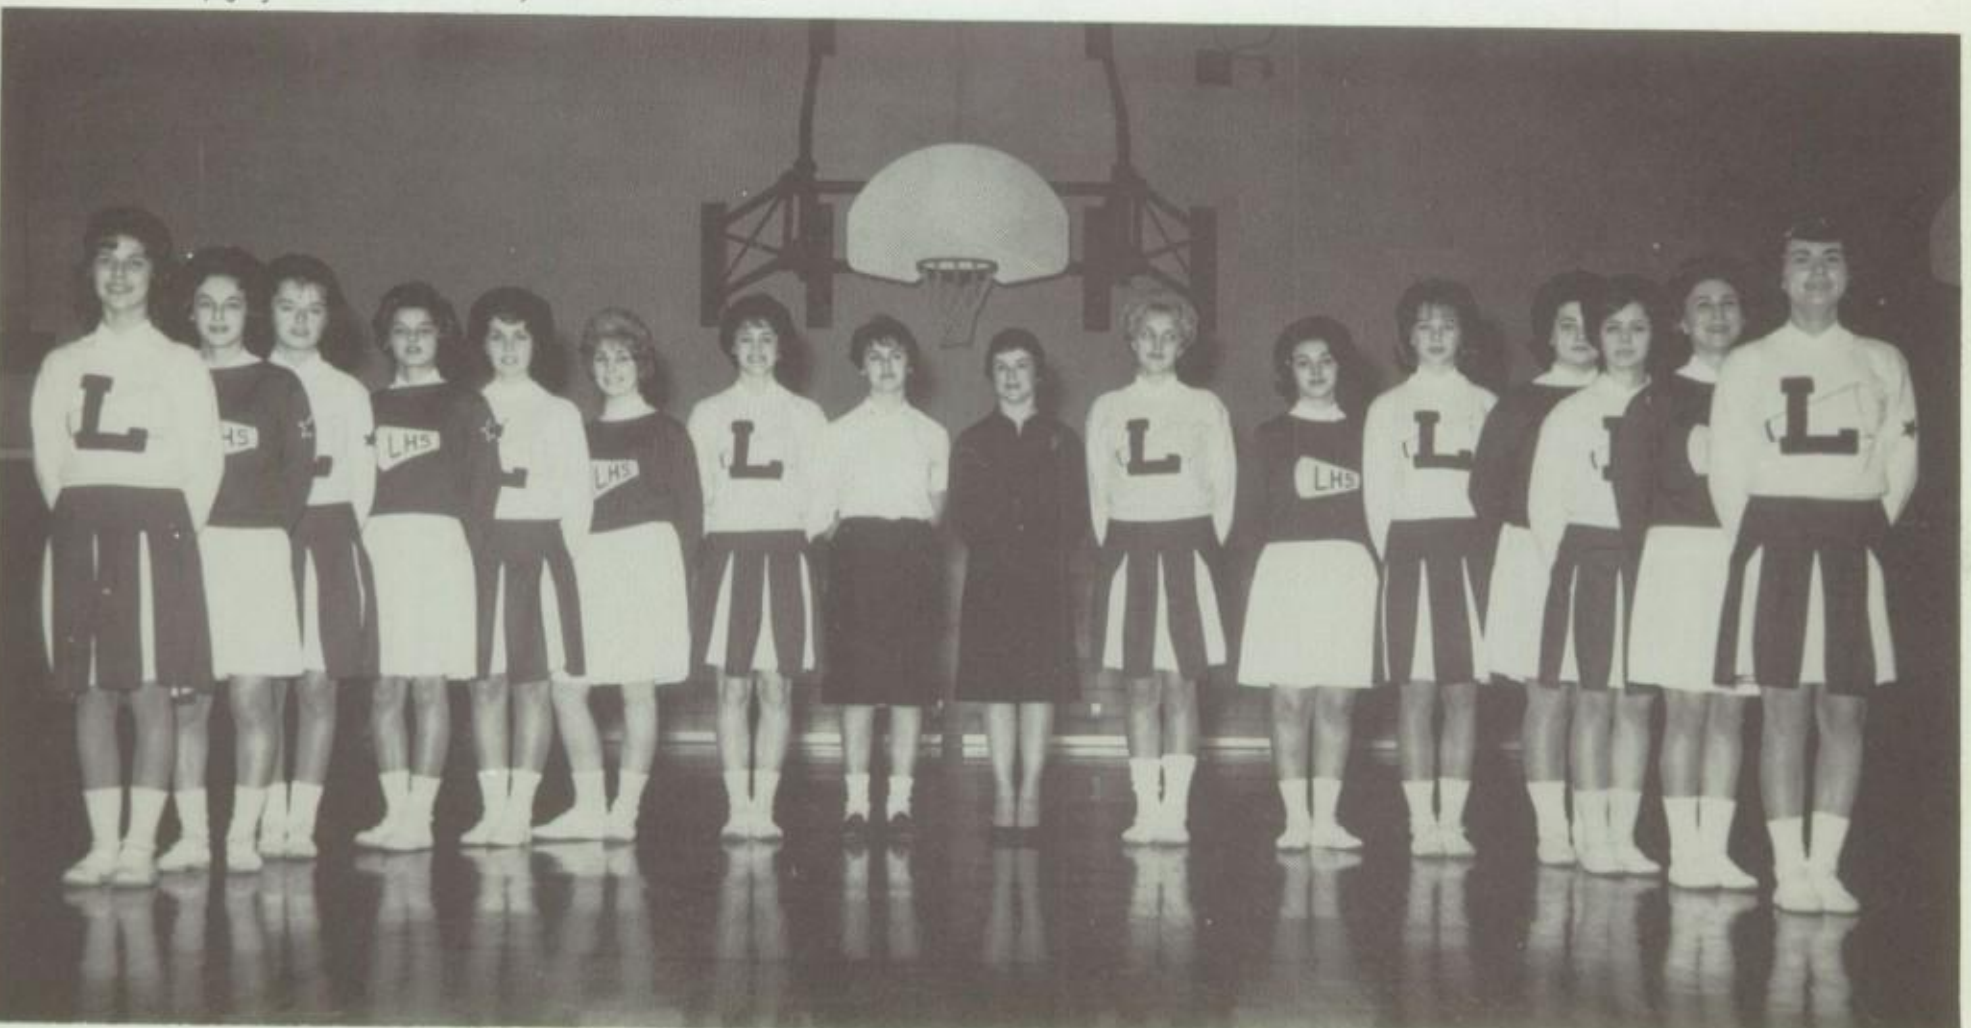

The cheerleaders sponsored their Second Annual Victory Dance after one of the most exciting games of the season. Enthusiasm was displayed by the whole crowd when the varsity cheerleaders led them in the "Victory" cheer. Some of the cheers which the exuberant student body looked forward to were: the Stomp, Locomotive, Down by the River, and Keep it Cool.

Because of their devotion to the Lamphere student body and the team, we can be justly proud of each varsity cheerleader.

Despite the cold weather, our cheerleaders never stop supporting our team.

Jr. Varsity

Theo Kovalick and Christine Wlodarczyk were the co-captains of the junior varsity squad, being chosen by their fellow cheerleaders. They had led the squad in practices and cheers at each game.

The junior varsity joined the varsity in the preparations and the success of the annual cheerleading dance. They have promoted the school spirit for the victories of the reserve team and have supported the varsity cheerleaders at each game.

Did you notice the new uniforms of the reserve cheerleaders? They chose white pleated skirts with their royal blue sweaters, and their clever uniforms have added to the neatness of both squads.

At the bonfire, our cheerleaders showed their enthusiasm by leading the crowd in singing the school fight song.

BASEBALL

This year's baseball squad hasn't hit the diamond as the yearbook goes to press. The team has Mr. Vivio as new coach and expects to have a really fine season.

Lamphere has nine returning lettermen giving us our greatest depth in experience and season veterans. Other members of the squad are fellows that have played in organized baseball leagues about the city.

The schedule is as equally tough this season, but Lamphere's previous seasons are becoming known throughout the league. Some teams within the league may have more seasons of experience; but our school's ability to come up with a good competition gives us a certain amount of threat power.

So before the season begins, let's predict a more than average success for our diamond men and wish them a league title as an extra bonus. Good Luck.

BOWLING

The Varsity Bowling Team

The Lamphere Bowling team is in its second year of existence. They bowl every Saturday at the Fairlanes Bowling establishment. The Rams are in a league consisting of many teams from class A schools such as Hazel Park, Kimball, Ferndale, Berkley, and Dondero.

The Bowlers who carry the Lamphere banner in this new pin league are: Captain, Norm Roginski, Ed Kozlowski, Jim Doran, Sam Silaski, and Dave Klapchar. The "sixth man" is Joe Manenti.

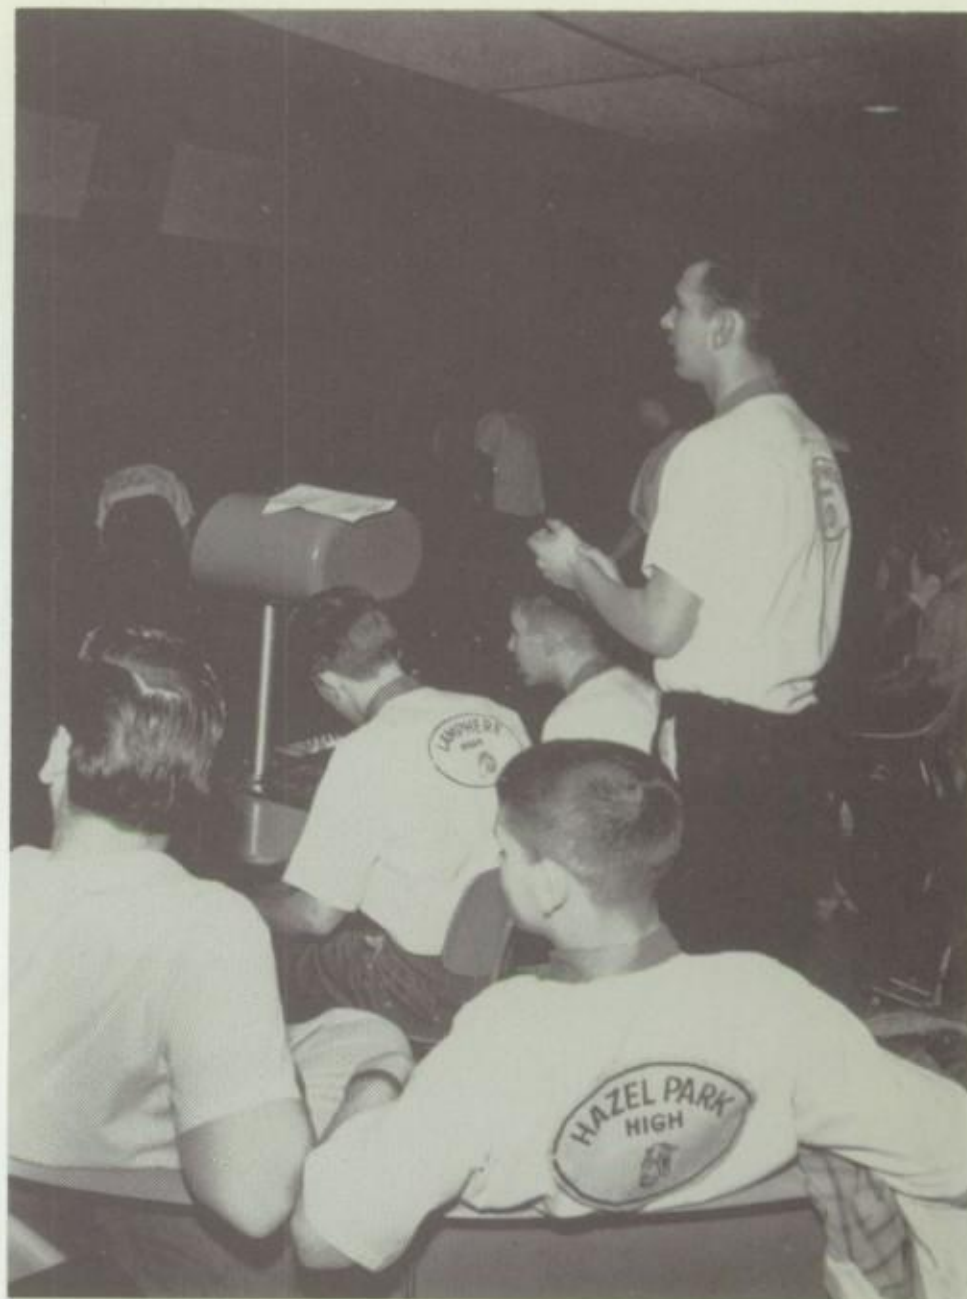

The team finished a close third with a total of a hefty thirty-six points. The team average for the season came to a respectable 720 average.

The individual averages for the team are: Ed Kozlowski, 152 (team high) Sam Silaski, 151; Norm Roginski, 150; Jim Doran, 149; Joe Manenti, 138; and Dave Klapchar, 112.

ACTIVITIES

Student Council

In order to teach and practice democracy, our school has a Student Council. At the beginning of the school year, students were elected from each homeroom.

The members of the Student Council are representatives of the student body. They voice the students' opinions and ideas at their meetings each Wednesday. They try to solve problems, and they make rules to prevent problems.

The Council presented Mr. Hoover, our counselor, with a going-away gift, which represented the student body's appreciation for all he did. In addition, this group is the only one to be allowed to hold money-making projects.

The Council's sponsor was Mr. Emerick, and we hope that future Student Councils will follow the example shown by this year's governing body.

National Honor Society

The National Honor Society is a very select group. To be accepted into this organization, a student must have had at least a B average. The prospects must fill out an application blank, and then they are screened by the teachers.

Not only are academic grades important, but the person must have leadership ability; and he must be active in the school and community.

The sponsor for the National Honor Society at Lamphere is Mr. Kish. The student body is proud of this select group, and everyone looks up to them.

Rampage Staff

The Rampage, our school newspaper, has kept the student body well-informed of the goings on in the high school. The reporters have kept their eyes open for social events, club projects, and many other things which affect our school.

The newspaper staff has met every Wednesday; and with the help of their sponsors, Mrs. Griffith and Mr. White, they put the paper to "press." Rosemary Surso and Vivan Lile have worked together on the Rampage as co-editors with the thought that "two heads are better than one."

The staff should be given a great deal of credit for the work they have done to give the school such an interesting publication.

Varsity Club

Each boy who is a member of the Varsity Club is very proud of the letter he wears on his sweater.

To become a member, a boy must have participated in a sport such as football, basketball, and baseball. These boys have put their whole heart and soul in what they did on the field or court. They are highly responsible for raising the prestige of Lamphere.

The students at Lamphere look up to members of the Varsity Club as boys who are capable of taking responsibility and congratulate them on the fine work they have done.

College Bound

The College Bound Club, sponsored by Mr. Hoover and Mr. Chesebrough, is an organization for those students who are planning to go on to college.

The club invited representatives from the colleges to talk to the students about courses offered, expenses, and other things that pertain to them.

The club also went on field trips to different colleges. The club spent the entire day attending classes, seeing the dormitories, and seeing what campus life is really like.

The sponsors have helped the seniors with application and scholarship information, helping them start off on the right foot toward their college education.

Washington Club

The purpose of the Washington Club is making money for the senior trip. All high school students are welcome to join this club.

At the beginning of the year, the members sell magazines; and a week before Valentine's Day, boxes of candy are sold. For each subscription or box of candy, a certain amount of money is given to them. This money is put into a special savings account and can be used only for the senior trip. It cannot be taken until a few days before the trip.

The seniors this year chose a five-day trip to New York. They left Detroit the Monday after Easter, and all who went enjoyed themselves very much.

Band

There are seventeen students at Lamphere who have shown their musical talents as members of the high school band. The band is under the direction of Mr. Peters. Combined with the Junior High band, it has played at three basketball games, pep assemblies, the dedication of the high school, and a half-time show at the Homecoming game.

The band attended a convention at the University of Michigan for Michigan School Band Orchestra Association. There they observed top-notch musicians. They are applying the knowledge they learned to their own musical talents.

Because of more and new equipment, the band hopes to expand in the future.

Chorus

Lamphere High School has some progressing singers, as the high school chorus has proved. Under the direction of Mr. Bartz, they have blended their voices in beautiful harmony, singing many of the forever-favorite songs.

Some of their programs included singing before the student body at a Christmas program, the P.T.S.A. Founder's Day, dedication of the school, and an Easter program. The Chorus gave a special program at a children's home before Christmas.

Each member of the chorus has done his best to make it one of the best that Lamphere has ever had.

Both the main office and the guidance office has at least one student to help each hour. The student secretaries do such things as filing, typing, running errands, and greeting callers.

The students are getting their experience and are being trained for office positions at the same time.

Audio-Visual Club

Every day the Audio Visual Club is called on to render services. Some of their duties are: showing films, running opaque and over-head projectors, and showing teachers how to run the equipment. They are responsible for getting the equipment to the proper place at the right time. They order movies and send the equipment out for repairs.

Nursing is one of the most important careers a women could enter. The purpose of the Future Nurses of America Club is to get high school girls interested in nursing.

At their meetings, they discuss the different phases of nursing such as medical technicians, registered nurses, and practical nurses.

Being able to say the right thing at the right time is what each member of the debating team knows. At the meetings the debators studied deliver, interpretation, argument blocks, construction, and rebuttals, all an important part of debating. The team's coaches are Mr. Angel and Mr. Chesebrough.

The proposition for this year was that the "Resolved Federal Government should equalize educational opportunities by means of grants to public elementary and secondary schools.

The Future Teachers of America Club designed as a social service organization to promote education, and, if possible, strive to get people interested in teaching as a profession. To foster the interest in education, the club planned field trips to various college campuses, where education programs were explained. A swimming party was planned as a social function.

The sponsor for the F.T.A. is Mr. Clancy. The president of the club is Barbara Picard, the vice-president is Diane Davis, and the treasurer is Larry Banish.

The Future Homemakers of America have maintained their busiest year at Lamphere. Besides babysitting with children while the parents voted, F. H. A. sold refreshments for the Stagecrafters. They also attended the regional F. H. A. meeting held at West Bloomfield High School. Other activities included touring Hudson's, attending the state convention and the work shop at Central Michigan University.

Getting the students interested in different aspects, customs, and cultures is the purpose of the Language Club. The club is sponsored by Mr. Cunningham, our high school's language teacher. The club's members are primarily Spanish or French students. The club has planned field trips to restaurants serving foods from different countries and to movies spoken

CONGRATULATIONS SENIORS OF '61 - '62!

From the

STUDENT BODY

After adorning these hallowed halls for the past four years, these reserved few SENIORS have decided to leave a memorandum. These selected few, in due appreciation of their own accomplishments, are leaving their honored titles for all to see in the future. Not only do they do this for the prestige of the school, but as an inspiration for others. As a parting good-bye, these suave, debonair young men say to all their followers, "Luck be yours if you follow our gallant examples."

*It's no
secret*

That picking the right kind of job after graduation is mighty important.

And the right one, you'll agree, is the one that gives you the most of what you want in a job—interesting work, good wages, vacations with pay, friendly associates, security and a chance for promotion.

So, if you're graduating this year and are looking for a really worthwhile job, why not drop in soon at our employment office? It's at
